Dear Commissioner for Patents,

Enclosed please find replacement figures for US application 10/605,157.

These figures are labeled with "Fig. (figure number)" as per your specification.

NB: This is the second mailing of these figures. As per my phone conversation with your office today (Feb 3, 2004), The first mailing has not yet been entered in your records, and to avoid any chance of abandonment of the application, I am sending a second copy of the figure now, before the deadline of Feb 9, 2004.

Yours sincerely,

Howard Gutowitz
CEO, Eatoni Ergonomics, Inc.
